Prekės aprašymas:

The stylish Elegant Cooler allows you to chill your wine instantly – without ice! The Active Wine Cooler Elegant holds a reusable cooling element that can chill a bottle after 5 minutes and keep it cool for hours. With the Elegant Cooler, there is no ice, no water, no mess and no wet label to fall off.

- Active chiller without ice
- Chills in 5 minutes
- No waste of space in the fridge
- Keep cooling elements in freezer
